

Applying an IBM Cloud Promo Code

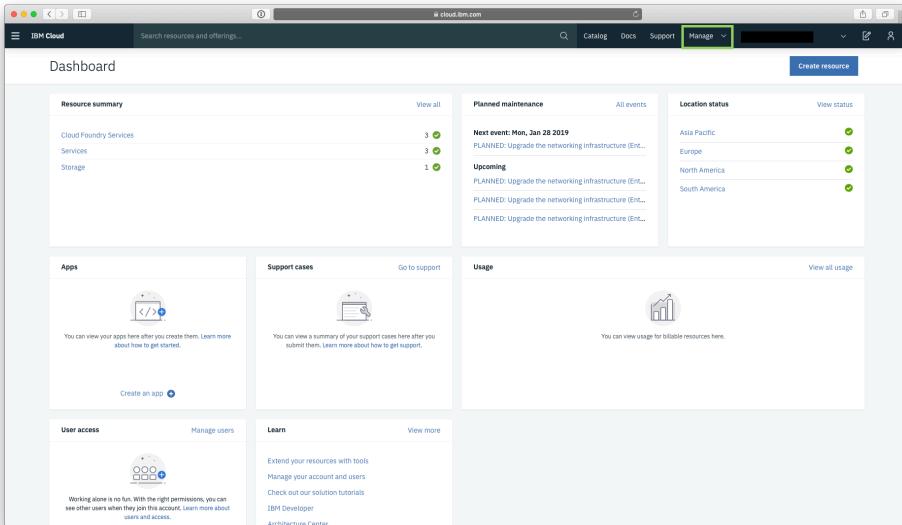

Step 1: Open the IBM Cloud website: <https://cloud.ibm.com/> in a web browser.

Step 2: Login using your IBMid

Step 3: From the main Dashboard click on Manage in the upper-right menu.

Step 4: Click on Account from the drop-down menu

The screenshot shows the IBM Cloud dashboard with the 'Account' tab highlighted in the left sidebar. The main area displays various account management sections: Resource summary, Planned maintenance, Apps, Support cases, Usage, User access, Manage users, Learn, and Audit log. A sub-menu for 'Account' is open, showing options like Billing and usage, Access (IAM), and View status.

Step 5: Click on Account Settings from the left-hand menu

The screenshot shows the 'Account settings' section of the IBM Cloud interface. The left sidebar has 'Account settings' selected. The main content area contains several cards: Best practices, Resource groups, Cloud Foundry orgs, Tags, Audit log, Account settings, Company contacts, Company profile, and Notifications. The 'Account settings' card is expanded, showing options to upgrade the account, manage special features, and redeem discounts.

Step 6: Scroll down until you see the Feature (Promo) Code section and click on Apply Code

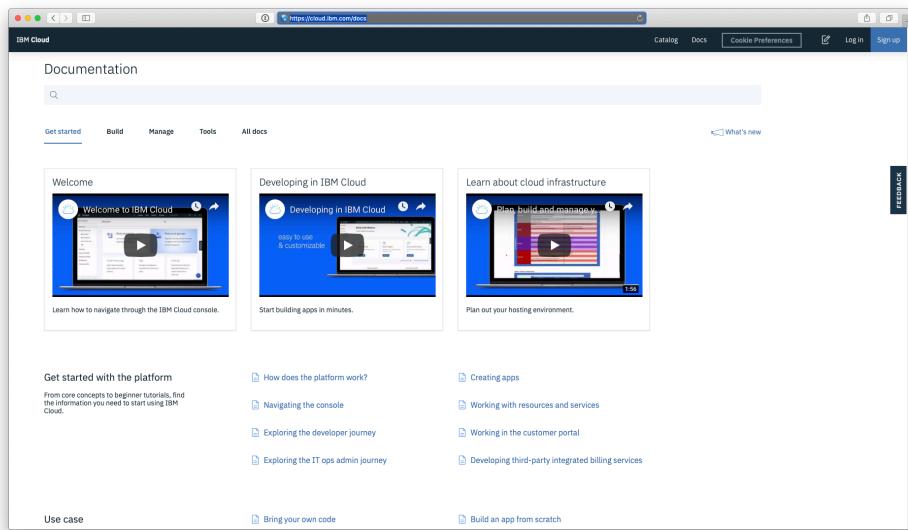

The screenshot shows the 'Account settings' section of the IBM Cloud interface. A green box highlights the 'Feature (Promo) Codes' section. It contains a brief description: 'Formerly known as promo codes, feature codes unlock additional IBM Cloud capabilities including subscriptions, credit, and account extensions. One time use only per each feature code.' Below this is a blue 'Apply code' button.

Step 7: Enter (or copy/paste) your 25-character promo code and click Apply

The screenshot shows the same 'Account settings' page. A modal dialog box is open over the page, titled 'Feature Code'. It contains a text input field with a redacted code, a message: 'The feature code will be applied to the account: Lee Wilson's Account', and two buttons: 'Cancel' and 'Apply'. The 'Apply' button is highlighted with a green box.

How do I access IBM Cloud documentation?

IBM Cloud documentation is available by visiting <https://cloud.ibm.com/docs> and does not require an account to access.

How do I get support for my IBM Cloud account?

Support is available by clicking on the **Support** link in the upper-right menu. Here you will have access to support documentation, cloud status and the ability to create a support ticket.
